

## STATE POWERLIFTING

By: Gage Keyes

State Powerlifting took place in Harvard, NE at 9 a.m. on March 22nd. The Powerlifting team departed the school at 3 p.m. the previous day and stayed the night at a very nice hotel in Hastings. Members of the team went down to the pool and had tons of fun and rose spirits before the meet. The team went to bed with high spirits and got a nice rest before having to wake up bright and early to head to the meet. Upon arriving at the meet, the rules were explained and all of the racks were set up for the lifters. Squat was set up first and first attempts went well. Throughout the rest of the attempts the whole team was doing great and spirits were still high! Once each lifter had their three attempts finished, we moved to the bench press. These also went very well with some lifters breaking personal records and others giving all the energy they had. Once the bench press was completed, we had a 30 minute lunch break to rest and refuel before moving on to deadlift.

After the break, deadlift was up with the highlight lifter lifting almost 650 pounds! Once all attempts for each lift were over, the results. Boyd County finished Second Overall Lifting Team and the Second Girls Team as well! Everyone lifted so well, with personal records smashed and hundreds of pounds moved! Good job, Lifters!

## SPORT SCHEDULE

Wednesday, Apr 9, 2025

10:00AM  
Away vs. O'Neill  
O'Neill High School

## GOLF OUTLOOK

By: Renee Brewster

Boyd County Golf has started with 9 high school golfers. We have 3 seniors Cash Sinclair, Carson Haun, and Blain Purviance, juniors River Hansen, Madalynn Reiser, Amanda Davis, sophomores Wade Pritchett and Chloe Gonzales and Freshman Kole Larsen. We will have some experience as Cash, River, Madalynn and Carson have played varsity golf on last years team. We added Wade Pritchett and he is an experienced golfer who will be a leader on Boyd County team this year. Practices have been normal for a couple of good weather days with shorts and then snow and cold weather with gloves and stocking hats. We are looking forward to getting the season started. Boyd County will start the season with a dual vs West Holt on April 8 th .
